Assembly tomorrow at 9:00am

Curriculum Day
Last Monday all staff attended a day long workshop on VCOP (Vocabulary; Connectives; Openers; Punctuation) Writing. This is the new writing program that will be introduced to complement our reading program. Some components have already been introduced in some classes as Ann Turnbull and Lauren Heywood completed the training in 2015. Stay tuned for more information regarding this fantastic new program.

Canteen
There are going to be a number of changes to Canteen in both times and menu. These will be introduced slowly over time. The first change is that Canteen will not be open for the afternoon break for the rest of the term. The second change is that next term the Canteen days will be Monday and Friday. This will not come into effect until Term 3.

Change of Times
Thank you to the families who have provided feedback regarding our changes to the daily times. You still have one more week to respond. If you have misplaced your feedback sheet, which was attached to last week’s Tintalk, there are spares in the office.

Disco
Tomorrow night is the Prep – Year 4 disco, 5:00pm – 6:15pm. Every child attending will receive a glow stick, drink and a sausage in bread afterwards. Sausages will also be available to parents and siblings for $2.00.

Our Staff
Simon Datson is our Phys Ed and one of our Performing Arts teachers. Simon works very hard on both areas. He is the District Secretary for our sports region, organises lots of extra programs for our students - Joggers Club, Morning Movers, Percussion Group, Tournament of Minds as well as the whole school production. Over the year he has been adding to our instruments by making Marimbas, both large and small, to be used in lessons and with the percussion group and choir. He has been doing this in his own time. Thank you Simon for your commitment to our students and our school.

Election Day BBQ – 2nd July.
We need your help!! This is always a massive fundraiser for our school. We need parents to man the BBQ – especially from 12:00pm onwards. Please leave your name at the office or send back the slip in this newsletter.

Meetings
Education Committee will meet this coming Wednesday at 7:00pm. We will be looking at and discussing the Sunsmart Policy, as well as other discussions. Please come along and bring a friend.

Parents & Friends Committee
We need more parents coming along to this great committee. Next meeting is Monday 6th June at 7:00pm. Come by yourself or come in a group. Everyone will be made welcome.

Tinternvaes Amazing Athletes!

Australian Gymnastics 2016 Championships

From Sunday to Friday, last week Kiralee, one of our Year 6 students competed in the National Gymnastics Championship. Kiralee was part of the Level 7 Victorian Team. She was in camp for the duration of the championships, staying with her team and supporting them when she wasn’t competing. There wasn’t a lot of time for that though, as Kiralee was competing in the All-around competition. This involves routines on Bars, Beam, Floor and Vault. Over two tough days of competition, Kiralee placed 16th! Remember, this is in the whole country! This is an amazing effort and is a great reward for the dedication that Kiralee displays towards her sport and the many hours of hard work and training that go into becoming such an elite athlete. Well Done Kiralee!

Team Vic Football

Nick is one of our Year 5 students and has been trying out for the Team Vic Football team over the last month or so. This is an extensive process that starts at school level, through district, division, Metro Region and finally state team selection. Nick has made it through to the final 42 in the state, with final team selection taking place this Sunday. A remarkable achievement Nick! Well done and we wish you luck.

Level 3 / 4 were lucky enough to have a visit from the RFDS. We spoke to Tom – their dynamic presenter and explored his plane! It was missing its wings though. We would love to share some of our new knowledge with you. The RFDS was started by John Flynn after he visited many rural areas on a camel. You can find John and his camel on the $20 note. Tom told us interesting stories including one about a red back and another about a tiger snake in a bed! Tom also shared his medical kit with us and we got to touch and feel lots of equipment. If you have any questions about the RFDS ask a Level 3 / 4 student!

Thank you to Tom and the RFDS for visiting us today and sharing their knowledge.
Lost Property

We still have a large number of items in lost property. If your child is missing any items of uniform, please come to the office and have a look through the boxes.

### Program Update

Here we are at the beginning of Winter, so our outdoor time will be limited, but we have our room set up really well with many play spaces set up for the children. We are doing some activities based on Around the World. This theme stemmed from the children's interest in setting up our imagination area as an airport/travel centre. The children gave us lots of suggestions of many countries so we will continue with these activities probably until the end of term. I would also like to welcome a new team member who will be with us every afternoon as well, her name is Di and I'm sure you will all make her feel welcome. Also I would like to thank Lael's boyfriend for coming in last Thursday afternoon to talk to the children about his Army experience, the children had a great time.

Also just a reminder that if your child is booked in for ASC and will not be attending, could you please just leave us a message on the mobile, this way we are not chasing this up at the beginning of the session. Thank you for your understanding. Please feel free to call in and have a look at our program. The best time to call in is BSC if possible, but you are certainly welcome anytime.
