Pascal's Problem

A famous French mathematician named Blaise Pascal created the following famous triangle:

Top line: 1
1st line: 1 1
2nd line: 1 2 1
3rd line: 1 3 3 1
4th line: 1 4 6 4 1
5th line: 1 5 10 10 5 1

Copy this down and see if you can complete the next two lines of the triangle.

| Well here we are with only 2 weeks left of 2nd Term, can’t believe that this term is almost over. If you are looking at booking your children into a holiday program the brochures are now available online at the Oshclub website and I will also have some printed out at the program for the closest programs to here. We have had a rather busy term with some new staff on board which is great to have consistency of staff. We have been doing lots of activities on our theme of Around the World, which the children have been really enjoying, we will be continuing this theme until the end of term. Just a quick reminder to the parents when you are signing your children in and out, please make sure you put the time and a signature, if you have more than one child please make sure you sign for each child, as this form is a legal document. Thank you for your understanding in this matter. Please feel free to call in and have a look at our program. The best time to call in is BSC if possible, but you are certainly welcome anytime. | OSHC program phone: 0413 242 876
