Remember hats for Term 1. Hats can be left on hooks or in a child's tub (if they fit).

- The Level 1/2 corridor doors are open at 8.50am and the children are welcome to hang up their bags, change their 'Take Home Book' and get ready to begin the school day at 9.00am.
- Teachers are available in the morning for discussions, however if you would like an interview or to discuss a personal matter please ask for a time that suits both you and the classroom teacher.
- 'Take Home Books' will be sent home next week. Please record the books your child reads in their diary. If there is a question about the texts that are being sent home please discuss this with your child's class teacher. **Please send back 2015 book bags if you haven't already done so.**
- Check your child's bag regularly for notices.
- **Victorian Premiers Reading Challenge** – this annual event will begin soon. Once again the aim in Level 1/2 is for every child to complete the challenge. The classroom teachers will register the children and log on the first 30 books. When each class has read the 30 books the children will be given their own log in details to access the web site. More information regarding the challenge will be sent home soon.

Please remember that the school day begins at 9.00am and it is very important that all students are involved in the learning and discussions that start the day.
