

Inquiry Unit:

In Term 1 we explored identity and our place within our families and the school and local communities. We met local fire fighters, veterinarians and nurses. This term students will be exploring diversity . We are going on an international journey to explore foods, songs, artworks and other significant features of various countries.

Take Home Books and Magic Words

It is wonderful to see the Prep students reading their take home readers and Magic Words every night. The children have the opportunity to change their readers daily. Reading take home books should be a positive experience that fosters a life long love of reading. The children are tested regularly on their automatic recall of Magic Words.

Curriculum:

Numeracy: This term we are focussing on number recognition, writing numbers forwards and backwards to 20, ordinal numbers, days of the week and ordering events and objects from smallest to largest.

Literacy: Some concepts we will be exploring this term include comprehension strategies, exploring letter sound relationships, sounding out words; initial, middle and end sounds and using finger spaces between words.

Communication:

Don't forget to check you child's book bag and diary every day for any important notices and information. Feel free to pop in and see Linda, Christina or Julie anytime with any queries or concerns.

Thank you:

We just want to say a BIG thank you to all the parents who are helping out in our classrooms. Your assistance plays an important role and the children love it dearly. If you would like to help out, please see your child's teacher.

Prep Specialist Timetable Term 2

Prep A:

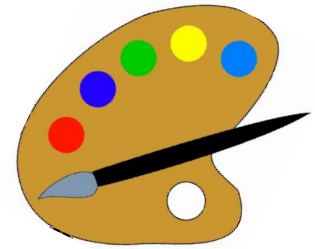

Monday Library 12-1pm

Tuesday PE 12-1pm, Performing Arts 1-2pm

Wednesday LOTE 10-11am, Art 2:30-3:30pm

Thursday

Friday
