IMPORTANT – PLEASE READ **2021 Family Contribution Year P-6**

Dear Parents,

At Tinternvale Primary School we are able to provide an excellent learning environment for students as a result of the significant level of support that we receive from our community. We gratefully acknowledge the assistance provided for grounds maintenance, fund-raising events, canteen and classroom programs.

To offer the outstanding programs and facilities that we provide, the school requires additional support over and above that which the State Government Department of Education and Training provides. The school receives funding from the government to cover operating costs such as staff salaries, electricity, gas, water, telephone, basic cleaning, essential maintenance and repairs and certain teaching materials and equipment. The funding of these items consumes a major portion of the yearly grant, and consequently we are reliant on locally raised funds to enable the school's curriculum to continue to be effectively delivered.

The school does not receive any funding for individual student or class group requisites and consumables, nor for optional materials or services provided at the school, or additional equipment and facilities. Subsequently the school is reliant on family contributions to assist with meeting the cost of these items in addition to the costs of excursions, camps, uniforms and programs provided by outside specialists.

The enclosed Family Contribution notice provides a summary of expenses and costs for your child's stationary and curriculum requirements in 2021. Also enclosed is a payment form. Please complete the notice and make your payment at the office on one of the **book collection dates** noted on the form.

Parents, who may be experiencing financial difficulties, are invited to make an appointment to speak to the Principal, in confidence, regarding a payment plan.

We thank you in anticipation of your support, ensuring that Tinternvale Primary School continues to provide such an excellent learning environment for your children.
