Principal's Comment

Great Southern Land
Our concert spectacular - Great Southern Land - last Monday night was absolutely brilliant. We have such talented students and teachers who bring out the best in our students. Not only were our students brilliant on stage but their behaviour backstage and at all the rehearsals was exemplary. Congratulations to all our staff and students.

Thank you to all parents who assisted with gathering costumes and those who made our very spectacular props and scenery. Thank you to Andrew Schwarz (Elia PC) for his fantastic photography on the night. The photos will go up on the screen in the foyer for all to see.

Special thanks must go to Simon Datson & Beth Stephen for their persistence and perseverance in ensuring a high quality show.

A DVD order form is attached to this Tintalk, if you missed out on one on the night.

School Review
As part of our School Review, we are seeking feedback from parents on certain aspects of our school. In the later part of this term, we will be running some focus groups for parents to allow them to give us their thoughts on our school and where they would like to see the school move to in the future. A daytime and an evening session will be organised. Stay tuned!

Illness
There is a lot of sickness around at the moment with many students having to go home during the day. If your child is unwell the best place for them is at home. Not only will they be able to rest and recover, the chances of illness being spread will be minimised. If your child is feeling unwell in the morning, there is a pretty good chance that they will get worse during the day – so please keep sick ones at home.

Trivia Night
Our Trivia Night is on 10th September. This is a big event and a lot of fun. The theme for this year is ‘The 80’s’. Shortly, you will be able to book seats or a table for the night. These go very quickly so watch out for the notice announcing that bookings are open.

If any of our parents have goods or services they would like to donate for our Silent Auction & raffles, please let the girls in the office know.

Also, if you would like to help out on the Committee (it’s very easy) please let us know in the office or catch Kris Di Gregorio in the school grounds.

Lilly Update
You may or may not know that Lilly, our school wellbeing dog (and sometimes Jo’s dog), sustained some horrific injuries last Thursday when she was attacked by 2 other dogs. After surgery last Thursday night, she is slowly recovering. Her recovery will be lengthy but steady. On Jo’s behalf (she has been away sick) thank you for all the get well messages and little gifts. It shows that she really is a big part of our fabulous school community.

Trivia Night
Do you own a business that could donate something for the upcoming Trivia Night in September?
It can be goods or services (eg. donate an hour of tradie time).

Please email the school if you are able to assist in any way. It’s a great way to help the school and to promote your business!

A note from Wendy (our Crossing Supervisor)

During the school holidays I attended a dinner presentation for Victorian Crossing Supervisor of 2015/2016 at the Mantra Hotel in Preston.

Thank you to Jo for nominating me. I did and still feel quite honoured.

I enjoy doing the crossing but it’s the school community who make it all worthwhile.

Great Southern Land

What a wonderful night! Congratulations and THANK YOU to all of our fantastic students for their great performances throughout the show. Whether you had a small part to play or a larger role, they are all important and were all performed beautifully.

A huge amount of thanks also needs to go to all staff for their commitment to the show and ensuring that all sets, costumes and dances were well rehearsed and looked amazing.

Finally to all of our parents for helping out. Whether it was with some great costumes and props, help with the choirs or small groups or just supporting your children. We can’t do it without you, so thank you.

Lookout in the foyer as the Combi is set up next to the office, so if you would like to have a look or sit in and have a photo, feel free. There are also some great photos we have received from the show which will be displayed on the screen in the foyer shortly.

Don’t forget to fill in an order form if you would like a DVD copy of the show. These are professionally recorded and produced and a great memento of the evening. If you didn’t take an order form on Monday, there is one attached to this edition of Tintalk.

Thanks Everyone!

House Athletics

Our House Athletics Day is being held on Wednesday the 3rd August at the Croydon Athletics Track. This event is for 3-6 students and will serve not only as a fun and challenging event, but also as the selection trials for our district team. The district competition is on Wednesday the 31st August at the Bill Stewart Aths Track in East Burwood. For the house event, if there are any parents who are able to assist on the day, please fill in the slip that went home recently or let me know.

Prep to 2 students don’t miss out either! This event is held at school and is on Tuesday 16th August. The opening ceremony starts at 9:30 and activities run through to about 1:20 with house relay races in the gym as the final event. The normal recess break will apply at 11:00. Parents are most welcome to help out and/or spectate on the day.

Simon Datson

We need your help!

Do you have any old gumboots at home? If so, can we have them? 😁

We are going to be creating gumboot planters to help make our school grounds look even more beautiful than they already are. We will fill them with plants and hang them up to add colour to the boring cyclone fences around the school. Gumboots of any size and colour are needed. Please drop them in at the school office.

Thinking like artists.....
Semi and Lachie are pictured here reminding themselves how to ‘think like an artist’; to think positively, persist with tricky tasks and appreciate their own creativity.

The Principals' Art Frame
Congratulations Jaimie! Your artwork will be displayed in Kerrie's office for the month of July. Your colourful pestal artwork will brighten up Kerrie's day!

The Tinternvale Art Room....

Busy times in the Art Room....
This Saturday our three students from 5/6 will have their work exhibited at Federation Square - a very exciting opportunity! If you are in the area please pop in and have a look. Stay tuned next week for photos.

This term the 5/6 students are studying Mythical Creatures and have so far created some amazing images of creatures. Scarlett created a fantastic Medusa drawing (left) and they are looking forward to drawing a dragon's eye next week.
