Principal's Comment

Sub-Committee Meetings
There will be no Buildings & Grounds or Parents & Friends committee meetings on Monday the 15th August.
The planned Education meeting for Wednesday the 17th August will now take place on Tuesday the 16th August. All parents are welcome.
The next Trivia Night meeting is on Monday the 29th August at 3:30pm. All parents welcome.

ICAS
Certificates for students who sat the Science Test will be handed out at assembly tomorrow, 5th August.

Cyber Safety
On Tuesday night the 2nd August some of our parents and staff attended a Q & A at Tintern Grammar where Kerrie was a panel member. The facilitator of this evening was Michael Carr-Gregg, who is a nationally registered child and adolescent psychologist. This was a very informative evening giving parents useful advice on living in a digital world with primary school children. I have included some information from the night below:
If your child has access to a mobile phone, laptop, tablet or any other internet-enabled device – or if they have any friends or siblings that do – then it is very likely that they will see pornography, even if they never seek it out. This website is an excellent resource to assist parents in dealing with this worrying trend.

OurPact is an easy to use app for your iPhone that was created to help parents hold their children accountable with their social media use. It teaches them to be responsible with their time through the use of technology. OurPact gives parents the power to —
• Schedule internet and app usage according to your child’s schedule.
• Set the number of hours your child can use the internet and apps
• Block internet and apps with just a touch
More information can be found on their website http://ourpact.com/support/

Trivia Night
Our Trivia Night is on 10th September. This is a big event and a lot of fun. The theme for this year is ‘The 80’s’. Bookings for seat or table are now available at the office.
If any of our parents have goods or services they would like to donate for our Silent Auction & raffles, please let the girls in the office know.
Further, if you would like to help out on the committee (it’s very easy) please let us know in the office or catch Kris Di Gregorio in the school grounds.
Please see the separate notice attached to the newsletter regarding the Trivia Night.

Chocolates
We have a lot of chocolate money outstanding. This needs to be paid back to the school otherwise our fundraiser will run at a loss. Please pay at the Office or alternatively you can call and pay over the phone using your debit or credit card. There are still more boxes if people would like to sell more but please don’t ask for more if you haven’t paid for what you have already taken.
Principal's Comments continued...

Parking
Parking is becoming increasingly difficult around our school because, I'm sorry to say, the behaviour of some of our parents. There are two areas of concern. Please do not park in the staff car park (unless you have permission from me). There was an accident earlier in the week caused by a parent speeding out of the staff car park. I find it difficult to comprehend why people keep breaking this rule and I'm worried that it will take a child being hit by a car to make people do the right thing.

The other area is the side road. This is actually a private road and I feel the day is coming when all parking will be banned there as cars are continually being parked over private driveways. Some cars are backing out into an area at the bottom which is already packed with cars. This is very dangerous. I implore all parents to take a moment to think about the consequences of not behaving safely in cars.

Also, please do not drop your children off in the middle of the road, on the corner, on the crossing or double park.

Notices
Notices are sent home as a means of communicating with parents and families. Please check your child's bag daily for notices and keep them in a safe place. We are having to issue a second notice many times and in some cases third notices.

School Review
As part of our School Review, we are seeking feedback from parents on certain aspects of our school. In the later part of this term, we will be running some focus groups for parents to allow them to give us their thoughts on our school and where they would like to see the school move to in the future. A daytime and an evening session will be organised. Stay tuned!

Illness
There is a lot of sickness around at the moment with many students having to go home during the day. If your child is unwell the best place for them is at home. Not only will they be able to rest and recover, the chances of illness being spread will be minimised. If your child is feeling unwell in the morning, there is a pretty good chance that they will get worse during the day – so please keep sick ones at home.

Jo

Trivia Night

Do you own a business that could donate something for the upcoming Trivia Night in September?

It can be goods or services (eg. donate an hour of tradie time).

Please email the school if you are able to assist in any way. It’s a great way to help the school and to promote your business!

We need your help!

Do you have any old gumboots at home? If so, can we have them? 😊

We are going to be creating gumboot planters to help make our school grounds look even more beautiful than they already are. We will fill them with plants and hang them up to add colour to the boring cyclone fences around the school. Gumboots of any size and colour are needed. Please drop them in at the school office.
'Have a Heart for Cambodia'
I was very proud on Saturday to see Ehmula, Iyla and Ella's work exhibited at Federation Square. All three of their works were sold to raise money for Cambodian children. Well done to all the exhibitors from different Victorian schools, it really was an amazing event!

Here are the Prep children checking out from bug specimens to get ideas for their insect art works.

The Tinternvale Art Room....

Junior Specialist Art....

The Junior school Specialist Art group had their first session last week and enjoyed themselves immensely!

We talked about their interests and what they would like to do in Specialist Art, then they drew amazing self portraits. Pop into the office and check them out in the hallway beside the whole school group photos.

Maths Challenge

P - 2

How many squares do you see in this pattern?

3 - 6

1 Use 12 matches to form a 2 x 2 grid:

For each of the following, commence with this arrangement, then:
1) remove 4 matches so that you have 2 squares instead of 5 squares
2) remove 2 matches to leave 2 squares
3) move (but don’t take away) 2 matches so that you have 7 squares.

Answers for last week

P - 2

P1 23, 27, 21, 28, 26, 22, 20, 25
22, 14, 16, 19, 12, 24, 18, 20
20, 17, 14, 18, 13, 16, 23, 22

3 - 6

1 Numbers between 1 and 90 having a remainder of 5 when divided by 9 are:
5, 14, 23, 32, 41, 50, 59, 68, 77, 86.
Numbers with a remainder of 7 when divided by 10 are:
7, 17, 27, 37, 47, 57, 67, 77, 87.
Therefore the number is 77.
Heathmont College Asia Day

Last Wednesday (July 27) Heathmont College organised an Asia Day event attended by groups of 20 students from five feeder schools. Tinternvale Primary School participated along with Heathmont East P.S., Great Ryrie P.S., Malborough P.S. and Bayswater North P.S.

Groups of 25 students drawn from all five schools rotated through the four cultural activities run by the Language teachers from the Primary Schools. The activities were mask making, batik style crayon resist drawing, Indonesian dance and the Japanese martial art of Aikido. After the four rotations the student were provided with a lunch of nasi goreng and chicken.

A talk was given about the benefits of learning about culture and languages and after lunch along there was a with a skype session with the sister school Jogjakarta in Indonesia. The afternoon session involved a question and answer session with two Indonesian foreign students studying at Monash University who spoke about their life growing up in Indonesia.

The day started at 9.00 for our students who were bussed to Heathmont College, participated in the provided activities and returned at 3.00

Stars, Stars, Stars

Stars sessions for Term 3

Thursday 18th August

Olympics Go
Groups will meet during the day and the students will have the opportunity to participate in an Olympic activity. On this day the students can wear colours to represent the country they are supporting or they can come dressed in a ‘Rio’ theme.

Friday 9th September

Phys Ed/Performing Arts News

House Athletics
Another fantastic competitive and well attended day was had by all yesterday at the Croydon Athletics Track, even if the weather didn’t entirely come to the party. There was plenty of colour, some wonderful competition and a great collective feel of support and encouragement. All students did a great job at all events and should be extremely proud of themselves. Hurdles was the only event not run due to the damp track and for those wishing to try out for the District team in this event, trials will be held at school during the coming weeks.

Once again, to our wonderful parent helpers on the day, thank you! It really can’t happen without your input and we all really appreciate what you give to our school.

To our great TPS staff, thank you for being so easy to work with and so reliable at events like yesterday, it does make them run so well and smoothly. (Sorry about all of your wet shoes!)

Results will be announced at assembly tomorrow. Good luck to all...

P - 2 Athletics Day
Don’t forget the Prep to Grade 2 Athletics day coming up on Tuesday 16th August. This event runs from 9:30am until 1pm and will be held at the school. Let’s make this day colourful, so please send your child to school in their house colours on the day. Any parents who would like to help out, it would great to have you! Please meet at the gym at 9:30.

Simon Datson
Father’s Day Stall

Thursday 1st September
Most Gifts are $5.00
A limited selection of $2.00 gifts also available
There is also a very limited stock of Grandfather gifts available for $3.00

Please don’t forget to send a plastic bag to school with your child (Perfect for hiding Dad’s present in!)

Father’s Day Help

Monday 22nd August
Helpers needed for gift wrapping of Father’s Day presents. Please meet at the office at 9:00am.

<td>We have been doing many activities around our Space theme and we will continue this theme for this week as well. The children have come up with lots of wonderful creations and have been extending on all our planned activities. Our imagination area is being utilised every day, one of our grade 5 boys has been very busy creating lots of things around our Airport theme. He is really enjoying it, and the other children are really enjoying the pretend airplane flights that are part of this area as well. Keep an eye around this area for lots of changes. We are also changing up our Cultural wall and we have some forms at the sign in desk to be filled out. If you are able to do this it would be much appreciated.</td>

You are invited to our major fundraiser of the year

**Saturday 10th September at 7.00pm in the Gym**

And it’s an ‘80’s Night!’

There will be a prize for the best dressed and the most creative team/table on the night.

It’s a great time to get your friends, year level, neighbours and family together and come and have some fun, pick up a bargain, win some raffles or prizes, have a laugh and chat and of course, see if your table is the smartest on the night...

It is lots of fun and we want you to come and join us

- Cost is only $15.00 per person.
- Tables can seat 8 –12 or you can book one or two tickets and join a table
- Tables are limited, so be quick
- Bring your own Nibbles and Drinks

Please return this section to the office with a $30.00 deposit (either cash or credit card) to secure your table:

**Full Payment due by 30th August**

Name table to be booked under: ________________________________

Contact Phone No: ________________________________

Child’s Name & Class: ________________________________

Number of People for table: ________________________________

Deposit or full payment: $ ________________________________ Expiry: _____ / _____
