For more Tinternvale news don’t forget to check out the school Facebook page and our newly updated website at [http://www.tinternvaleps.vic.edu.au/](http://www.tinternvaleps.vic.edu.au/)

**Trivia Night**

Our **Trivia Night** is on the 10th September. This is a big event and a lot of fun. The theme for this year is ‘The 80’s’. Bookings for seats or tables are now available at the office.

If any of our parents have goods or services they would like to donate for our Silent Auction & raffles, please let the girls in the office know.

Further if you would like to help out on the committee (it’s very easy) please let us know in the office or catch Kris Di Gregorio in the school grounds.

The next Trivia Night meeting is on Monday the 29th August at 3:30pm. All parents welcome.

**RSPCA Cupcake Day**

Last Monday a group of students sold cupcakes to raise money for the RSPCA, specifically to assist in the prevention of animal abuse. There was a huge crowd of students eager to buy one of the delicious cupcakes that had been made by some very clever students and parents. Over $200 was raised for this worthy cause. Well done!

**Wizard of Oz – Melba Secondary College**

Ten of our year 4 and 5 students will be participating in the Melba Secondary College production of the Wizard of Oz. If you would like to book tickets for their performance night on Thursday 1st September, go to the website [www.trybooking.com](http://www.trybooking.com) and search Melba College ‘Wizard of Oz’.

**Chocolates**

Families who have not paid their chocolate money will soon be receiving a phone call. Unfortunately we still have a lot of chocolate money outstanding. This needs to be paid back to the school otherwise our fundraiser will run at a loss. Please pay at the Office or alternatively you can call and pay over the phone using your debit or credit card.

There are still more boxes if people would like to sell more but please don’t ask for more if you haven’t paid for what you have already taken.

**Parking**

Please do not park in the staff car park (unless you have permission from Kerrie).

Also, please do not drop your children off in the middle of the road, on the corner, on the crossing or double park.

**Balls on the Roof**

Balls on our school roof are an ongoing issue. Teachers (even Simon) are not permitted to go onto the roof at any time to retrieve balls as it is against DET OHS regulations. Please do not put your child on the roof to retrieve balls as this is a highly dangerous practice. Balls can be retrieved when our maintenance man visits the school as he is licensed for working at heights. Please ensure your balls are named so they can be returned to the right students. Any unnamed balls retrieved from the roof will go into Lost Property and then into the Phys. Ed store.

**Early Collection of Students**

Just a reminder of the protocol when picking up your children early from school. All parents and carers are to visit the office and sign their child out **before going to the classroom**. After signing out, the parents may then visit the classroom to collect their child. The Office will no longer call for the student to be sent to the Office as this disrupts the learning of two other students in the class who need to travel down with the student. It may not sound like much, but when this occurs 2 or 3 times in one session it can be very disruptive.

*Kerrie*
There is NO Free Dress Day on Friday 18th August.
Our apologies for any confusion.

Prep to 2 Athletics Day

What a fabulous day was had by all on Tuesday at the Prep to 2 Athletics Day. There was so much colour, teamwork, cheering and there were some great performances throughout the day. All students did an excellent job at each of the events and really enjoyed themselves.

Thank you to all of our wonderful staff for helping at the activities and to all of the parents who came along to help and support.

Our biggest THANK YOU is to our amazing House Captains, Alycia, Mackenzie, Kiralee, Luke, Anu, Hayley, Iyla and Levi who ran all of the events and made the day such a success. Well done everyone!

On the 12th of August, Jacqueline Anstey came to visit Level 3/4. She brought with her a genuine Olympic torch that was from the 2000 Sydney Olympics. Jacqueline was lucky enough to win a competition that allowed her to run with the torch in the town of Meredith in Victoria. Thanks again to Jacqueline for sharing her amazing Olympic experiences with Level 3/4.

TPS SCHOLASTIC BOOK FAIR

Want to know how can you support your school and foster your child’s love of reading? Easy! Visit the TPS book fair and spend up big. This year we have a huge amount of amazing books to cater for all ages and reading levels, as well as some fun reading accessories. Be sure to drop in, check out the merchandise and help raise money for our school. See you there J

This year we had a magnificent response for supervisors being nominated for the award. The following Supervisors received nominations and some but not all celebrated the night at the Mantra Bell City Hotel in Preston on Friday 8 July. We didn’t have a winner on the night but in Councils eyes all Supervisors are winners for their dedication and commitment to their roles.

The winner for Region 3 was - Denise Battershell from Nillumbik and the overall Supervisor of the Year winner was – Robyn Sabljak from Murrindindi

Trivia Night

Do you own a business that could donate something for the upcoming Trivia Night in September?

It can be goods or services (eg. donate an hour of tradie time).

Please email the school if you are able to assist in any way. It’s a great way to help the school and to promote your business!

Off to Scienceworks

On Thursday 11th August, a very excited group of students from Level 1/2 travelled across the city on a bus to Scienceworks.

On our arrival, a lady led us to the Planetarium. We sat in comfortable chairs, which were just like being at the cinema. When the chairs reclined and the room was totally dark and we watched a movie on the ceiling. The movie was called, ‘Tycho to the Moon’ and it told us the adventures of a dog who loved space. He blasted off into space in his rocket kennel. Not only did this movie give us lots of fascinating facts it was also funny and it kept us entertained.

When the short movie had finished a man told us about constellations and the night sky over the city of Melbourne. He used a laser light to point out the planets that we can see.

Next, we went outside for a snack and toilet break. Once we had finished our snack we returned inside to spend time in Alice’s Wonderland exhibit. We enjoyed exploring the mysterious doors, the locked boxes, the spinning mirrors, the creepy Queen and climbing through the dark rabbit hole.

Before lunch we had time to explore many exciting rooms packed with exhibits that we could play on, touch and learn a lot from. We LOVED, racing in the wheel chairs, running against Cathy Freeman, going into the magic door, stretching, throwing balls and just being very active.

Scienceworks is an amazing place to visit and we now know more about space.

Find a 5-digit number such that:

- the second digit equals the sum of the first and fourth digits;
- the second digit also equals the sum of the third and fifth digits;
- the second digit is 3 times the fourth digit;
- the third digit is 1 less than the second digit;
- all the digits differ from each other.

**Answers for last week**

**P - 2**

8. true 9. white 10. false

**3 - 6**

From the first clue, Mike must be 8 and Master Brown must be 12. Furthermore, since the latter is male, Tony's surname must be Brown. Helen must be 10 and, using the second clue, her surname is Green. Therefore Mike's surname is White.

Before School / After School Care Program

Program Update
This week at OSH we are focusing on an Under water theme, so many of our activities will be around this theme. The weather is starting to improve a little so lets hope we are able to spend some quality time outdoors as well. Our cultural wall is slowly coming together but if you haven’t yet bought back the sheet we provided it would be much appreciated. If you didn’t receive one at all please feel free to ask one of us for a sheet to fill in.
Over the next few weeks we will be also focusing on safety at the program, reminding the children how to play safely and also reminding them about being in our eyesight at all times, especially when we are going as a group outdoors and also whilst out in the school ground.
Hope everyone has a great week.

Please feel free to call In and have a look at our program. The best time to call in is BSC if possible, but you are certainly welcome anytime.
