Principal’s Comment

For more Tinternvale news don’t forget to check out the school Facebook page and our newly updated website at [http://www.tinternvaleps.vic.edu.au/](http://www.tinternvaleps.vic.edu.au/)

Big thank you to Jackie Kapoor and Su Pettitt for their work on the site.

Curriculum Day
Our final Curriculum Day for 2016 will be held on Monday 3rd October. It is always difficult choosing a time to have these very important days so we try to mix up the days so that we are not targeting the same day of the week all the time. On this day, staff will be working towards converting the entire curriculum across the whole school, from AUSVels to the new Victorian Curriculum. This is a huge job best done using a lengthy passage of time rather than bits of time here and there. All schools must convert to the Victorian Curriculum by 2017.

School Policies
At this month’s School Council meeting, several new policies were ratified: Supervision and Duty of Care; Administration of Medications & Care Arrangements for Ill Students; and Anaphylaxis. These will be put onto the website in the coming weeks.

Trivia Night
Our 80’s themed Trivia Night is officially sold out!! Now is the time to pay for your tickets/table. Please do so at the Office. The next Trivia Night meeting is Monday 29th August at 3:30pm in the staffroom.

Wizard of Oz – Melba Secondary College
Ten of our year 4 and 5 students will be participating in the Melba Secondary College production of the Wizard of Oz. If you would like to book tickets for their performance night on Thursday 1st September, go to the website [www.trybooking.com](http://www.trybooking.com) and search Melba College ‘Wizard of Oz’.

Boomtec
The next Boomtec is this Friday at Norwood Secondary College. This event going ahead is reliant on parent helpers. At this stage there are not enough parent helpers to ensure that the night will go ahead. If you are able to help out, please let Lisa or Andrea know in the Office or call Vickie Butler. Your assistance would be greatly appreciated.

Chocolates
Families who have not paid their chocolate money will soon be receiving a phone call. Unfortunately we still have a lot of chocolate money outstanding. This needs to be paid back to the school otherwise our fundraiser will run at a loss. Please pay at the Office or alternatively you can call and pay over the phone using your debit or credit card.

There are still more boxes if people would like to sell more but please don’t ask for more if you haven’t paid for what you have already taken.

Parking
Please do not park in the staff car park (unless you have permission from Kerrie).

Also, please do not drop your children off in the middle of the road, on the corner, on the crossing or double park.

Early Collection of Students
Just a reminder of the protocol when picking up your children early from school. All parents and carers are to visit the office and sign their child out before going to the classroom. After signing out, the parents may then visit the classroom to collect their child. The Office will no longer call for the student to be sent to the Office as this disrupts the learning of two other students in the class who need to travel down with the student. It may not sound like much, but when this occurs 2 or 3 times in one session it can be very disruptive.

Kerrie
Student of the Week!

TPS SCHOLASTIC BOOK FAIR

This year we have a huge amount of amazing books to cater for all ages and reading levels, as well as some fun reading accessories. Be sure to drop in, check out the merchandise and help raise money for our school. See you there Julie

When: Thursday September 1st until Tuesday September 6th
during lunch from 1:40-2pm and after school from 3:30-4pm.

Where: TPS Library
A Message from your Parents and Friends Committee

Trivia Night
Here is a sneak peak at some of the prizes for our upcoming Trivia Night:
+ Two nights accommodation at ‘The Moorings’ in Metung
+ 2016 signed North Melbourne Football Jumper

Tea Towels
Thank you to everyone who ordered tea towels. We have so far made a profit of $883.00; with still some available for sale.

Next Meeting
Parents and Friends meetings are open to everyone. The next meeting will be focussing on the Trivia Night and will be held on Monday 29th August at 3:30pm in the staffroom (children welcome).

Stars, Stars, Stars
Stars sessions for Term 3

Friday 9th September
Footy Day
Students can dress in their footy colours. Following assembly there will be a parade and then the students will participate in activities with their STARS group. On this day the students will have the opportunity to order a footy lunch. More details about footy lunch will be sent out soon.

Trivia Night
Do you own a business that could donate something for the upcoming Trivia Night in September?

It can be goods or services (eg. donate an hour of tradie time).

Please email the school if you are able to assist in any way. It’s a great way to help the school and to promote your business!
tinternvale.ps@edumail.vic.gov.au
We have some spare Tea Towels for sale.

$15.00 each or two for $25.00

Come into the office or phone if you wish to purchase any.

---

Maths Challenge

Study the calendar and answer the questions.

![June Calendar]

1. The 1st Monday of June is the ____th.
2. The date of the first Friday is the ____th.
3. The date of the second Wednesday is the ____th.
4. How many days in the month of June? ____
5. How many Fridays in this month?

6. How many days between the 14th and the 22nd inclusive?

In his will, Mr James left one-quarter of his property (shown below) to his wife and the remaining three-quarters was to be divided among his four children so that each received a piece of land of the same size and shape. How was it divided?

Answers for last week

P - 2

From the third clue, the second digit must be 3, 6 or 9 and the fourth digit will be 1, 2 and 3 respectively. Then from the fourth clue, the third digit will be 2, 5 and 6 respectively. Also, from the first clue, the first digit may be found as 2, 4 or 6. From the second clue, the fifth digit may be found.

The 5-digit number could be 46 521 or 69 831.

Notice that we must discard 23 211 as a solution because all digits must differ.
