Principal's Comment

Our Heartfelt Sympathies
Our thoughts and wishes go out to Lisa, Indiana and Braedyn Crombie (5/6A) on the sad passing of their much loved husband and Dad, Scott. May they gain comfort from the many friends they have at Tinternvale PS.

Curriculum Day
Teachers were kept very busy last Monday, changing over to the new Victorian Curriculum. Even though teachers have been using the Victorian Curriculum, it is mandated from 2017 and our documentation now reflects this. It is a huge task to reform all the teaching and learning documents so it was great to be able to do it all in the one day.

ICAS Spelling
Certificates will be distributed at this Friday’s assembly.

Classes for 2017
The time for planning for 2017 is rapidly approaching. Sometimes parents have concerns for their child’s class placement and wish to make a special request. If anyone wishes to do this they must put their request in writing, addressed to the Principal. A verbal request will not be accepted. Reasons must be based around the child’s educational needs. Parents may not simply request a specific teacher or student to be with their child. All requests must be received by Friday 28th October. Sometimes over the years information can become lost with changes of staff, etc. If you have made a request in the past, it is wise to keep making that same request for each year that it is needed. In this way you can be reassured that your child is being considered in the best possible way.

If any families are moving away and will not be with us for 2017, please let us know as soon as possible. In this way our planning can consider everyone.

Enrolments for 2017
If you have a child who is coming to school next year, please come into the Office and collect an enrolment form. If you can’t get into the Office, please call and our lovely office girls will mail one to you or you can download a form from the school website. Also, if you know you will be leaving the school at the end of this year (we don’t want you to) please let us know. This does not apply to departing Year 6 students.

Early Collection of Students
Just a reminder of the protocol when picking up your children early from school. All parents and carers are to visit the office and sign their child out before going to the classroom. After signing out, the parents may then visit the classroom to collect their child. The office will no longer call for the student to be sent to the office as this disrupts the learning of two other students in the class who need to travel down with the student. It may not sound like much, but when this occurs 2 or 3 times in one session it can be very disruptive.

**TAKE IN-TAKE OUT**

At Tinternvale, we support environmental issues. To encourage awareness of rubbish production and to reduce waste, all students will TAKE IN-TAKE OUT. This means that any waste from snacks and lunches will be placed back in lunchboxes instead of classroom rubbish bins and taken home. Along with our NUDE FOOD lunchboxes, we should have a decrease in the waste produced at school.

Thanks for you cooperation,

The Environmental Team.
Welcome to the ‘Big Write’ at Tinternvale P.S.

This year we have been focussing on implementing a whole school writing program known as VCOP. We have begun introducing students to this program, starting with the VCOP letters. V=Vocabulary, C=Connectives, O=Openers and P=Punctuation. We are now ready to start the ‘Big Write’ component of this program which will be run every fortnight next term.

‘Big Write’ is an opportunity for students to show off their fabulous skills and celebrate their learning. To make this part of the program as successful as possible we would like to enlist the help of families. We find many students become stuck when writing because they need more time to formulate ideas and lots of ‘talk time’ to think through different topics and text types.

This is where you come in -

Before a ‘Big Write’ session students will bring home some information about the text type and the topic. We would love lots of talk about the topic and writing ideas. This means the students are free to focus on the writing process (including punctuation, forming great sentences and using interesting words) instead of struggling for ideas. Our aim is to have relaxed and happy writers.

Your ideas, opinions and vocabulary knowledge are a valuable part of your child’s learning – so when you get a ‘Big Write’ letter at home it’s time to get talking!
