**Principal's Comment**

For more Tinternvale news don’t forget to check out the school Facebook page and our newly updated website at [http://www.tinternvaleps.vic.edu.au/](http://www.tinternvaleps.vic.edu.au/)

**Parent Forum**
On Tuesday 18th October we will be running a parent forum on future directions for our school. These forums are a great opportunity for us to gain feedback from our parents. Ms Ange Costigan will be facilitating the forum, which will be held in the Library at 2:30pm. Please consider coming along.

**ICAS English & Maths**
Certificates will be distributed on Friday 21st October at Assembly.

**Fundraising**
There are still some families who have not paid for their chocolates. It is embarrassing to have to contact families personally, but this is what I’ll be doing if payment is not received by the Office by Friday 21st October. Almost all of our profit from this activity is still outstanding.

**Meetings in October**
Please take note of the calendar for changes to meetings in October. A couple of meetings had to be rescheduled due to the power outage on Monday.

**1/2 Sleepover**
This is such an exciting event for our younger students. Thank you to all parents for letting us have your children for the night and thanks to the staff who have volunteered their time to sleepover.

**Classes for 2017**
The time for planning for 2017 is rapidly approaching. Sometimes parents have concerns for their child’s class placement and wish to make a special request. If anyone wishes to do this they must put their request in writing, addressed to the Principal. A verbal request will not be accepted. **Reasons must be based around the child's educational needs.** Parents may not simply request a specific teacher or student to be with their child. All requests must be received by Friday 28th October. Sometimes over the years information can become lost with changes of staff, etc. If you have made a request in the past, it is wise to keep making that same request for each year that it is needed. In this way you can be reassured that your child is being considered in the best possible way.

If any families are moving away and will not be with us for 2017, please let us know as soon as possible. In this way our planning can consider everyone.

**Enrolments for 2017**
If you have a child who is coming to school next year, please come into the office and collect an enrolment form. If you can’t get into the office, please call and our lovely office girls will mail one to you or you can download a form from the school website. Also, if you know you will be leaving the school at the end of this year (we don’t want you to) please let us know. This does not apply to departing Year 6 students.

**Early Collection of Students**
Just a reminder of the protocol when picking up your children early from school. All parents and carers are to visit the office and sign their child out **before going to the classroom.** After signing out, the parents may then visit the classroom to collect their child. The office will no longer call for the student to be sent to the office as this disrupts the learning of two other students in the class who need to travel down with your child. It may not sound like much, but when this occurs 2 or 3 times in one session it can be very disruptive.

**TAKE IN-TAKE OUT**

At Tinternvale, we support environmental issues. To encourage awareness of rubbish production and to reduce waste, all students will TAKE IN-TAKE OUT. This means that any waste from snacks and lunches will be placed back in lunchboxes instead of classroom rubbish bins and taken home. Along with our NUDE FOOD lunchboxes, we should have a decrease in the waste produced at school.

Thanks for you cooperation,

The Environmental Team.
**Phys Ed/Performing Arts News**

**Division Athletics**

Last Thursday, Tinternvale had 14 athletes compete in 15 individual events and 1 relay at the Division Athletics competition. As always, our students performed exceptionally well and we certainly punched well above our weight in regard to the number of competitors we had. To gain entry to Division, athletes compete over 5 Districts involving 49 Primary Schools, so it is a terrific effort to make this level of competition. Well done to all athletes who took part. There were some wonderful performances including personal bests and for others, great experience gained for next time.

Having said that, we have 3 athletes competing in individual events and 1 relay team competing today at the Region competition. Good luck to Jenna S (High Jump), Rhys G (Triple Jump) and Nick W (Long Jump) along with Archie G, Josh B, Braedyn C and Nick W in the relay. I’ll let you know next week how they go.

Once again, an enormous thank you to the parents who transport and support their own and other athletes. It can’t work without you!

**Maroondah Festival 2016**

The Junior and Senior Choirs and Percussion Group will be performing at Maroondah Festival this year on Sunday 6th November, on the Main Stage between 2:30-3:00pm. This will be a most enjoyable day with lots on offer to see and do for all the family. We would love to see as many students as possible on the day, participating in this performance opportunity. Students will need to return the permission slip they received to the school office prior to the event to participate on the day.

**Simon Datson and Beth Stephen**

**STARS SESSION - Friday the 14th of October**

Following assembly, students will meet their STARS teacher and proceed to their group’s allocated area within the school to garden/tidy up. This may include sweeping, weeding, pruning and digging. All parents are welcome to join in with their child’s stars group and assist. It would be helpful if students brought along some appropriate gardening gloves and tools, if available.
TINTERVALE
ART SHOW
2016

An exhibition of student work from 2016

OPENING NIGHT
NOVEMBER 3RD
6:30 – 7:30PM
TO BE OFFICIALLY OPENED BY MP DEE RYALL

Raffle prizes, silent auctions, students work available for sale on the night

Term 4 is a Sun Smart Term!

All students must wear their hats at recess and lunchtime. Hats can be purchased through RHSports. There are also a limited number of hats available for purchase from the office.

We have drink bottles for sale in the office.
Small $5.00
Large $7.00
Recount Writing by Level 1/2

Yesterday Level 1/2 buried some rubbish and I know this may sound weird but we actually did it! We buried a teddy bear / small one, can, bread, cardboard, plastic bottle and a glass. It was so interesting and marvellous that I have been thinking about it. In four weeks time we’re going to dig them up and see what has changed. The most hilarious moment of all was when Mrs. Turnbull fed some of us the bread.
Sally P

I loved to see all of the mammals and other creatures at Wombolano Park. My favourite was climbing on the log. I also liked looking at the pigeon.
Kai W

Yesterday, the Level 1/2s went to Wombolano Park. It was a long, long way; but it was very, very, very, very FUN! When we got there, we went to a table and then we went exploring nature and plants. I liked walking; but I didn’t like the mud; TOO, TOO STICKY! I saw lots of things; honey comb, beehives, ferns, possum houses, huge trees, the wetlands, signs and DOG POO! EWW! Then we had a snack and after the snack, I watched the bees get honey from the sunflowers. I went on the playground and after I had finished playing, I had lunch. When I finished lunch, we went back to school. It was a long way back but it was fun.

<td>Welcome back to Term 4. We hope everyone had a lovely break. Here we are in Term 4 already, which I’m sure will go really quickly as there is always lots to do during this term. Our theme for this week is Art Attack so we are doing lots of activities based around Art &amp; Craft. As Spring has arrived we will be doing some planting and nature activities with the children, so the children will be able to look after some plants and watch them grow. We are just collecting some resources be able to do this at this stage so watch this space. Please feel free to call in and have a look at our program. The best time to call in is before school if possible, but you are certainly welcome anytime.</td>
