BOOMTEC CANCELLED THIS FRIDAY

NO ASSEMBLY THIS FRIDAY MORNING

Food for Thought

One of the many great things about being a Principal is the access to fantastic professional learning and especially inspirational speakers. Recently I had the privilege of attending the Victorian Principal’s Association Conference, where I listened in awe to a man named Chris Helder. His theme I suppose was ‘positive thinking’. However he doesn’t look at it quite like that! He promotes the ‘Useful Belief’ theory. He explained that thinking in this way of ‘useful belief’ is a more practical way to sort through our problems and have a positive attitude to problem solving. Over the past couple of months I have been using his strategies both at school and home – they make an amazing difference and are so easy to implement. When I come up against a problem I ask myself, “What is the most useful thing I can do now in order to move forward?”

I can be a bit of a stress head at times, and I have found that having a ‘useful belief’ really works and most importantly has changed the way I handle a problem. Instead of venting to my friends, colleagues or family (doesn’t solve anything and often heightens the stress) I think about the most useful thing I can do to go forward. When I have taken the first step, I then think about the next most useful step I can take and so on. It can help to solve a problem, even when I’m not feeling all that positive.

If you are interested in reading or finding out more, google Chris Helder, or look for his book Useful Belief.

School Fees

At last Monday’s School Council meeting the fee structure for 2017 was approved. The following will apply for next year:

Essential Student Items: $250.00
Buildings and Grounds Levy: $25.00
Library Levy: $25.00

Even though there is a rise in the fees, we are still reasonably priced compared to other schools and for what we provide. While the Building and Library levies are voluntary it would be great to generate some funds to work on parts of our school that are looking a little sad.

Working Bee

The Working Bee was approved by School Council and will take place on Sunday 4th December. Our Working Bees are usually very well attended. It’s a great opportunity to get some much needed tasks done around the school. As usual the Working Bee will be followed by a yummy BBQ lunch.

December Dates

Our calendars are beginning to fill up quickly with less than 2 months until the end of the year. Please put the following dates into your diaries:

• Awards Assembly – 9th December at 9:00am
• Picnic and Carols Night – 9th December beginning at 6:00pm
• Year 6 Graduation – 16th December

BOOMtec

Due to unforeseen circumstances, we regret to advise that the BOOMtec disco planned for this Friday 28th October has been CANCELLED.

Any pre-purchased tickets can be used for the November event. We apologise for any inconvenience caused.

The final BOOMtec for 2016 will be held on Friday 25th November.
Phys Ed/Performing Arts News

Jogger’s Club
This year, once again there have been fantastic numbers at Jogger’s Club and we are expecting even more now that the weather is improving. So far this year we have jogged for 56 sessions, covering 1651 kilometres and taking 2 064 319 steps! Since we started our journey in 2014 we have covered 7026 kilometres and last week arrived at Darwin. Congratulations to all of the dedicated members on their fantastic work this year!

Morning Movers
A great way to start the day, students have skipped, jogged, bounced, jumped and danced their way around the gym for a staggering 23 850 minutes this year. That is nearly 400 hours of movement in 28 sessions! If you haven’t been, come and give it a try, it’s open to all. Keep up the great work everyone!

Maroondah Festival 2016
The Junior and Senior Choirs and Percussion Group will be performing at Maroondah Festival this year on Sunday 6th November, on the Main Stage between 2:30-3:00pm. This will be a most enjoyable day with lots on offer to see and do for all the family. We would love to see as many students as possible on the day, participating in this performance opportunity. Students will need to return the permission slip they received to the school office prior to the event to participate on the day.

Simon Datson and Beth Stephen

Canteen Closed
Monday 31st October
We apologies for any inconvenience caused.

Cadbury Tour
Our annual Cadbury tour is available again for 20 people.
Thursday 10th November at 9:30am.

- Closed toed shoes only
- No children (sorry)
- Meet at the Cadbury Factory, Ringwood 9:15am

If you would like to attend, please call the school office on 9720 1215.
This week we’d like to inform you of the 5Ps. When you’re online remember to use the 5Ps to ensure you have a positive online experience.

P = Profiles: Use a nickname and a profile picture that doesn’t show your face.

P = Positive: Make sure online information about you is as positive as possible.

P = Permission: Have a grown-up’s permission to use a new site or app.

P = Privacy: Keep your passwords and personal details secure – do not give out personal information.

P = Protect: If you receive a mean message, don’t reply and tell a parent. Keep the message so you can show an adult.

Come and join the fun for our final Tinternvale Working Bee of 2016!

Sunday 4th December

Please come along and give a hand to spruce up the school grounds and help out with other odd jobs.

BBQ lunch and drinks supplied on the day. 9:00am—12:30pm

Hope to see you there!
3 - 6

Ben, Cindy, Troy and Emma are sitting around a table discussing their favourite sports.
Use the clues to find which sport each person prefers:
a) Ben sits directly across from the jogger;
b) Cindy sits to the right of the squash player;
c) Emma sits across from Troy;
d) The golfer sits to the left of the tennis player;
e) A man sits on Troy’s right.

<td>Over the coming weeks we will be re-decorating our Kitchen Area and the children are coming up with some wonderful ideas If you have any suggestions please feel free to contribute. We will also be doing some seed planting and looking at the environment, so hopefully the children will enjoy planting and watching our seeds grow. A quick reminder to all OSH families that we are now in Sunsmart season so it is necessary that all children wear sunscreen and hats whilst playing outdoors at OSH. If your child is unable to wear the Coles brand sunscreen could you please supply them with a brand that they are able to use. We do have some spare hats at the program but not always enough to go around The children don’t necessarily have to wear a school hat at the program, but it would be great if they all had a sunsmart hat which is kept in their bag, as I know some of them keep their hats in their classroom. Many thanks for your effort in this area. Please feel free to call In and have a look at our program. The best time to call in is before school if possible, but you are certainly welcome anytime.</td>
