Principal’s Comment

ASSEMBLY
Come along and enjoy our assembly tomorrow where you will be able to listen to what is going on in our school at the moment as well as see a performance by the Senior Choir.

TAKING CARE OF EACH OTHER
Over the past couple of weeks the teachers, Jo and myself have spent a lot of time dealing with some negative behaviour from a large number of our students. The behaviour includes teasing, name calling, swearing, insulting comments, being disrespectful to others including teachers, hitting, kicking, throwing things and running away from class and teachers. This is extremely unusual for our school and both surprising and disappointing. In general terms, some of our students are not caring for each other. Over the past few days I have spoken with every class to let them know that this behaviour is completely unacceptable. Class teachers are also reminding their classes on a daily basis of the strategies they should use if they find themselves upset or troubled in the yard or see another child doing the wrong thing.

I am asking all parents to have a chat with their children about this issue to ensure we maintain the harmonious school community that we have worked so hard to create. Also, if any parents ever feel that they need to speak with Jo or myself about their children, please do not hesitate to call in, phone or email.

LUNCHES
Due to OHS guidelines, we are not allowed to heat students lunch for them in the microwave at school. If you would like your child to have a hot lunch, please send it along in a thermos or other suitable container.

NEW REWARDS PROGRAM
Mitre 10 in Bayswater is offering a rewards program for our school. Parents or extended families who shop there can mention the schools name and 5% of the purchase will go onto the rewards card to be spent by the school.

SCHOOL TIMES
There was an article in the paper today reporting on the growing number of students in many schools who are being dropped off very early in the morning and picked up late. It is the parents’ responsibility to ensure they have adequate arrangements for their children before and after school. There is OSHClub onsite for before and after school care which is very reasonably priced. Some of our students are arriving at school as early as 7:45am and hiding in the playground so that staff do not see them. This is a very dangerous practice. Teachers are on duty from 8:45am and until 3:45pm.

CARS, CARS, CARS
We are still having some issues with parking, particularly in Tintern Ave. If you have a grandparent, relative, friend or carer collecting your children from school, please explain the parking to them so that they are aware of where they can and cannot park. If you park and leave your car outside the school on Tintern Ave in the mornings I can guarantee a parking ticket.

UNIFORM SHOP
The Uniform Shop is back and operating at its new location at Ross Haywood Sports in New St Ringwood. An order form can be found on our website and attached to this edition of Tintalk. Remember that you can call into the shop, order online or by phone and have the items delivered to school or your home (postage applies to items delivered to homes).

EASTER FUNDRAISING
Remember to get your Hot Cross Bun order forms in ASAP. Raffle tickets for the Easter raffle will come home tomorrow.

Have a great week - Kerrie

| Well here we are another week into Term 1 making our way to the end of the Term and a break for Easter as well. There have certainly been plenty of changes to the program at the beginning of the New Year, hopefully everyone is settling in and enjoying the positive changes that have been made. We will continue improve the room into Term 2 with some new furniture arriving shortly. Just want to let the families know as well, that we are trying to keep the office area out of bounds to the children, (unless they have asked an educator, to go in there) as this will eventually become a storage room. Many thanks for your cooperation here. In the coming weeks we will be doing some Easter activities, so if any of the children or parents have any suggestions please feel free to let us know. You will have also noticed some new educators at the program as well, Kaitlyn has been away for Uni & will be back this week, and Patrick has also started back at Uni. We have had a lady by the name of Jenni working with us and she will continue to work with us when she can. Please feel free to call in and have a look at our program. The best time to call in is BSC if possible, but you are certainly welcome anytime. | OSHC program phone: 0413 242 876
Coordinator: Sue Naylor
Assistants: Kaitlyn Robertson & Patrick Masterton
Jenni Green
OSHClub Head Office: 03 85649000
Accounts Manager: Ambika Sivan (can be contacted through the OSHClub Head office number.)

All families must be enrolled to attend the program, remember this is Free!! Please create an account online at www.oshclub.com.au all bookings and cancellations can also be managed via your online account. For on the day bookings please contact the Coordinator direct at the program. |

Kinder Visits - helpers wanted!
The Junior Choir are embarking on visits to Tarralla Kinder and Good Start Early Learning Centre once again this term on the following dates:

Wednesday 16th March (10-11:30am) and Wednesday 23rd March (10-11:30am)

I'm looking for a couple of parent helpers who have their Working With Children Check to help supervise the walk there and back, and maybe even throw in some harmonies while the students sing their set. Please contact me via stephen.bethany.c@edumail.vic.gov.au

STARS 2016

STARS is a fabulous way to engage our students in multi-age groupings and with different teachers. STARS stands for:

Student Teams Are Really Sensational

To re-launch the 2016 STARS groups we are holding a special event at 12:30 on Tuesday 22nd March. Each student will meet their STARS group and their STARS teacher. Groups will take a photo together, name their group and create some fabulous STARS art to decorate our school grounds.

Prep students have been placed in a STARS group with their Grade 5 Buddy, so hopefully this bond will be strengthened.

To help celebrate this event we are asking students to wear some appropriate free dress on the day. Something that reflects stars (pardon the pun) and friendships.

Make sure you ask your children about their STARS group that Tuesday afternoon. Help them to recall their STARS teacher’s name and even some of the other students in their group.

STARS is all about our students feeling comfortable with a different teacher, making new friends and learning about our values, our strengths and overcoming our anxieties. Building relationships throughout the school helps make a happier and safer environment.

The Wellbeing Team
Last week the Prep students had their first attempt at painting in the Art room! They coloured a fish with crayons, taking their time to be as neat as they could. Then they wore their art smocks for the first time, which was very exciting. The Preps loved using celery sticks to print on the scale shapes which looked very effective. I look forward to introducing the Preps to other painting techniques this year!

Dear Parents, Grandparents and friends,

Thank you for making Camping Day so successful. We couldn’t have done it without you. Thank you for helping set up tents and the camp fire. The damper was fantastic! We hope that at our next special event as many adults as possible come, because we love to see you at school too.

From Samantha and Ava
This term the Environment Team is focussing on COMPOSTING. The team is collecting fruit scraps on Thursdays to minimise landfill and build up rich compost for the vegetable garden. If you have a round compost bin you no longer need, we would love to use it at school. Please contact the office if you wish to donate one.

Thank you!

Building blocks

1. Toddler Harlette is building towers with her toy blocks. If she has only yellow and red blocks, and each tower consists of three blocks, she can build eight different towers.

Here are two solutions:
\[ Y = \text{yellow}; R = \text{red} \]

Now show the other six solutions.

Cubic Letters

This shape has been folded into a cube:

\[
\begin{array}{cccc}
\text{E} & \text{A} & \text{B} & \text{C} \\
\text{D} & \text{C} & \text{B} & \text{A} \\
\text{F} & \text{E} & \text{F} & \text{D} \\
\end{array}
\]

Here are different views of the same cube. For each view, write which letter is on the bottom of the cube.

This checklist will help you to understand and manage your asthma.

Tick the things you can do yourself

1. At home
   - Take my preventer every day, even if I feel well
     Leave your preventer by your toothbrush to help remember
     Set reminders on your phone or tablet

2. At the doctor and chemist
   - Get the doctor or chemist to check that I am using my asthma devices correctly
   - Check out asthma device videos here

3. At school
   - Make sure I have my asthma reliever medication (usually a blue/grey puffer and spacer) with me at all times, including for school excursions and sports events
   - Always tell someone when I feel my asthma flaring up (tight chest, short of breath, wheezing or coughing)
     Ask a friend to tell a teacher
     Most teachers are trained in Asthma First Aid and know how to help you

4. For you
   - Check out Asthma Kids to learn more about asthma
   - Tell my friends about my asthma – I might need them to help me one day
     Tell them about Asthma Kids too – its for all kids
   - Be active its good for everyone and improves your general health

Don’t miss out – by controlling your asthma you can do anything you want to!
