Principal's Comment

ASSEMBLY
Come along and enjoy our assembly tomorrow which will be taken by the fabulous Ange Costigan. You will be able to join Ange for a cuppa afterwards.

TAKING CARE OF EACH OTHER
I have been so proud this week of the improvement in all of our students’ behaviour. We need to keep this high level of looking after each other as we head into the holidays.

PROFESSIONAL LEARNING
A number of staff are participating in professional learning over the next couple of days. Today and tomorrow our leadership team is attending a Leadership Conference in Marysville. Two staff are also attending Maths training on Friday and Anaphylaxis Training on Thursday evening. Professional learning usually means time out of the school for staff but the learning they undertake keeps them up to date and is ultimately beneficial for our students. Ange Costigan will be Acting Principal during this time.

FUNDRAISING
Last year we held a very successful Fete and raised just over $20,000 - a massive effort from our school community. This money is being used to add some pizzazz to some of our learning areas - library, art room and classrooms. So far we have bought an air conditioner for the Performing Arts room (a welcome relief for all staff and students who use that room), purchased new whiteboards for the Level 3/4 classrooms, had some custom built shelves made for the Picture Story Books in the Library. We still have plenty of money left to update more shelves in the Library and for works in the Art Room. It's so great to see our hard earned money at work.

LUNCHES
Due to OHS guidelines, we are not allowed to heat students' lunches for them in the microwave at school. If you would like your child to have a hot lunch, please send it along in a thermos or other suitable container.

NEW REWARDS PROGRAM
Mitre 10 in Bayswater is offering a rewards program for our school. Parents or extended families who shop there can mention the schools name and 5% of the purchase will go onto the rewards card to be spent by the school.

UNIFORM SHOP
The Uniform Shop is back and operating at its new location at Ross Haywood Sports in New St Ringwood. An order form can be found on our website and remember that you can call into the shop, order online or by phone and have the items delivered to school or your home (postage applies to items delivered to homes).

EASTER FUNDRAISING
Remember to get your Hot Cross Bun order forms and Easter raffle tickets in asap. If you would like more raffle tickets, these are available at the Office.

Have a great week - Kerrie
Hi Everyone
I hope you have all had a great week and you all had a lovely long weekend. Here we are almost at the end of a busy term 1, ready for a nice break for Easter. If you are needing a Holiday Program for your children all the brochures should be available online now. We will also have some printed out at the program if you want to pick one up. Please be aware that Kaitlyn won't be working in the Holiday Program these coming holidays.

Next week we will be basing our activities around an Easter theme, so please feel free to come up with some suggestions for us.

The children have been familiarising themselves with our new routine and they are doing really well so we will continue with this through next term.

I hope everyone has a great week and please feel free to pop in for a visit, mornings are probably the best times but if that isn't possible please feel free to pop in the afternoon as well.

OSHC program phone: 0413 242 876
Coordinator: Sue Naylor
Assistants: Kaitlyn Robertson & Patrick Mastertoun
OSHC Head Office: 03 85649000
Accounts Manager: Ambika Sivan (can be contacted through the OSHClub Head office number.)

All families must be enrolled to attend the program, remember this is Free!! Please create an account online at www.oshclub.com.au all bookings and cancellations can also be managed via your online account. For on the day bookings please contact the Coordinator direct at the program.

Kinder Visits - helpers wanted!
The Junior Choir is embarking on visits to Tarralla Kinder and Good Start Early Learning Centre once again this term on the following date:

Wednesday 23rd March (10-11:30am)

I'm looking for a couple of parent helpers who have their Working With Children Check to help supervise the walk there and back, and maybe even throw in some harmonies while the students sing their set. Please contact me via stephen.bethany.c@edumail.vic.gov.au

Phys Ed/Performing Arts News

Inter School Round Robin

Last week saw all of our 5/6 students compete against other local schools in our district in the Summer Round Robin. We hosted a couple of sports and travelled to four other venues on the day to play. Overall TPS did very well with a high level of encouragement and sportsmanship displayed across all of the teams. A very special Well Done to the Volleystars Team who won their event on the day. Also a very big Thank You to all of the parents who helped out on the day and especially to Mrs Kilmartin and Mrs Johnson who also helped train two teams in the lead up to the day. We really couldn’t do it without you!

Marimbas

Our Marimbas have grown in number and we now have one box resonated marimba and three mini marimbas for all students to play during Performing Arts. There is also a pipe resonated marimba on the way, so watch out for performances using these great instruments at up-coming assemblies.

Active April

Tinternvale has registered for Active April, so get on board and support the school by registering with one of the school teams. See the information attached to this edition of Tintalk on how you can join and get involved.

Joggers Club

Going strong again, we have 56 members and have covered 343 Km this year which is the equivalent of 427,950 steps. The combined distance we have run so far since we left TPS over 2 years ago is 5717 Km! Amazing effort everyone, keep up the great work!

Simon Datson

---

DONATIONS REQUIRED

To help implement our STARS re-launch next Tuesday, 22nd March, we are asking for donations of colourful wool.

It doesn’t matter what ply wool you have, as long as it is colourful and at least half a ball or more.

If you can donate some wool, please leave it in the marked box in the office foyer before next Tuesday.

Thanks from the Wellbeing Team
Jodah Briggs

On Wednesday Jodah Briggs came back to our school (he is now in year 10) to share his experiences growing up as a young Aboriginal. He is a member of the Yorta Yorta people and shared his connections with country and his ancestors. His grandmother received an order of Australia from Queen Elizabeth for her work representing the interests of Aboriginal people.

Jodah shared many aspects of Aboriginal culture with us, including his totem the emu and much of his language.

Jodah said he was honoured to be invited back to his primary school to share his identity.

We were very lucky to have the opportunity to ask questions and listen to his stories.

From Level 3/4
Prep—2  Find my two numbers  1

The product of two numbers is the result you get when you multiply one by the other. The product of 3 and 4 is 12.
Look at this table.

<table>
<thead>
<tr>
<th>Numbers whose sum is 7:</th>
<th>1, 5</th>
<th>2, 5</th>
<th>3, 4</th>
</tr>
</thead>
<tbody>
<tr>
<td>The product of these numbers:</td>
<td>6</td>
<td>10</td>
<td>12</td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th>Numbers whose sum is 10:</th>
</tr>
</thead>
<tbody>
<tr>
<td>The product of these numbers:</td>
</tr>
</tbody>
</table>

Draw up a table like this one and list all the possible answers to the following questions.

Find the two numbers I am thinking of if:

1. the sum of the numbers is 7 and their product is 10
2. the sum of the numbers is 7 and their product is 12
3. the sum of the numbers is 10 and their product is 16
4. the sum of the numbers is 10 and their product is 21
5. the sum of the numbers is 10 and their product is 9
6. the sum of the numbers is 9 and their product is 14
7. the sum of the numbers is 9 and their product is 20
8. the sum of the numbers is 9 and their product is 8

Last Week's Answers

Prep—2

Building blocks (I)

It is important to work systematically in this exercise. In the first question, one approach is to build all possible combinations first with Y at the top and then with R at the top.

In the second question, use the same principle with each of the three letters.

| 1
| Y
| Y
| Y
| R
| R
| R
| R
| R

Cubic Letters – Part I

3—6

Letter values

In the following exercises, the letters represent digits. No digit is repeated in any one exercise. Find the value of each letter.

1. $B \times B = BB$
2. $C \times C = CC$
3. $A \times A = AA$
4. $M \times N = MN$
5. $6 = 6$
PREMIER’S ACTIVE APRIL CONSENT FORM

Premier’s Active April is a Victorian Government initiative that encourages Victorians to participate in 30 minutes of physical activity a day during April.

To accompany this form, we recommend you visit www.activeapril.vic.gov.au/schools to download our Information for Parents flyer that explains the health and wellbeing benefits of joining Premier’s Active April and outlines the great incentives and prizes you can win by registering.

This year, our school will be participating in Premier’s Active April and we are asking students to join their school or class team and get more active and join the fun.

There are three options below showing you how to register and join our school team. Please contact the school if you need further information.

Registration and Team Details
Login / Register activeapril.vic.gov.au
Team ID

| joggers-club | tinternvale-ps-students | tinternvale-ps-parents |

Team Name

| Joggers Club | Tinternvale PS Students | Tinternvale PS Parents |

- Once registered, students will have the option to join multiple teams. We encourage you to register your whole family and create a family team as well, enabling you to share the experience and keep each other motivated.

How to join our school team:

1) If your family are already registered:
   1. Login to the Active April Activity Tracker app using the student’s username and password
   2. Go to the Teams page and select “Request to join a Team”.
   3. Enter the Team ID (see above) and click “Send Request”
   4. A notification will be sent to the teacher who created the team. After the teacher accepts the request, the student will see the team details when they next login.
2) If your family are not registered
   1. Register at activeapril.vic.gov.au – register yourself first, then register family members.
   2. Once registered, your child can use their unique username and password to access the Activity Tracker and program incentives.
   3. In the top right navigation, change “Logged in as:” to the relevant child’s name. You’ll now be viewing the Activity Tracker app as though you are logged in as this user. NB: you may need to refresh the page to see this.
   4. Go to the Teams page and select “Request to join a Team”.
   5. Enter the Team ID (see above) and click “Send Request”.
   6. A notification will be sent to the teacher who created the team. When the teacher accepts the request, the student will see the team details when they next login.

3) If you’d like the school to register your child
   • If you don’t have access to the internet, you can sign the consent form over the page, complete a few registration details and return it to your classroom teacher.

NB: For ease of administration, our strong recommendation is for students to be registered at home rather than by a teacher. If you’re able to do options 1 or 2, there is no need to complete and return the following form.

Consent of a parent/guardian to authorise student registration in Premier’s Active April.

Please tick ✓ one of the boxes below.

☐ I consent to my child participating in Premier’s Active April and authorise the school to register my child
